

The Wellness Company

Technogym awarded as best IPO in Europe for 2016

Cesena, 16.03.2017 – Technogym, a leader in the international fitness, sport and health equipment market and operating in the broader Wellness industry, listed on the Milan Stock Exchange since last May 3rd 2016, was awarded in London with the “GlobalCapital Equity Capital Markets Award” as best IPO in the EMEA area for the year 2016 in the category of operations under \$300m.

The Award, which was created last year but the prestigious English financial magazine GlobalCapital, was announced yesterday in London in the presence of several representatives of the banking and financial world.
