Comments

- Increase in revenue (+20,5% at constant FX) driven by volumes recovery
- Raw material price increase partially offset by price hikes in 2021 due to the nature of the business: some months are needed for new prices to be fully recognized in the top line
- Labor cost increase driven by new competence hiring during the year
- D&A increase following higher Capex towards digital, SW and Content development
- Reported Tax rate at 20.7% (26.8% without non-recurring items like Exerp disposal and patent box)
