It should be noted that the withdrawal - by shareholders who did not participate in the approval of the Resolution - is a right and not an obligation and, therefore, those shareholders may decide whether to exercise it or not.

Settlement of shares for which the withdrawal right has been exercised

In the event that one or more Technogym shareholders exercise the withdrawal right, the settlement procedure will take place in accordance with the provisions of Article 2437-quater of the Italian Civil Code.

In this case, the Company will offer the withdrawing shares as an option and pre-emptive right to the other shareholders and will communicate the methods of acceptance of the offer and any appropriate information relating to the settlement process of such shares in the notice of offer which will be filed with the Company Register of Romagna Forlì-Cesena and Rimini and published in a newspaper.

It should be noted that if the termination condition referred to in the Resolution (**Condition**) is verified and not waived by Technogym, i.e. if the money amount to be paid by Technogym to the withdrawing shareholders exceeds the overall amount of Euro 100 million, the Resolution will cease to be effective and, consequently, the withdrawal notices will also be ineffective and the settlement of the withdrawing shares will not have place.

Technogym will provide timely communication in relation to the failure to fulfill (or waiver, as the case may be) of the Condition in accordance with the law.

Unavailability of the withdrawing shares

Shareholders are reminded that, in compliance with the mandatory provisions of the law, the exercise of the withdrawal right is irrevocable and the shares in relation to which the withdrawal right has been exercised are blocked (and therefore are neither transferable nor negotiable) from the date of exercise of the withdrawal right and until the transfer of the shares themselves or verification of the fulfillment (in the absence of waiver) of the Condition.
