

ADOPTION OF THE ENHANCEMENT OF THE INCREASED VOTING RIGHT NO SHAREHOLDER EXERCISED THE WITHDRAWAL RIGHT

- **Resolution of the enhancement of the increased voting right fully implemented given the unfulfillment of the condition subsequent**

Cesena (Italy), January 14th 2025 – Technogym S.p.A. announces that, in relation to the approval of the enhancement of the increased voting right system by the Extraordinary Shareholders Meeting held on December 3rd, 2024, the period to exercise the withdrawal right ended on December 27th, 2024 and none of the eligible shareholders holding Technogym shares exercised the withdrawal right; therefore, the liquidation procedure provided for by article 2437-*quarter* of the Italian Civil Code will not take place.

Condition subsequent

As described in the relevant explanatory report of the Extraordinary Shareholders' Meeting, the effectiveness of the resolution on the enhancement of the increased voting right would have been terminated if the amount, if any, to be paid by the Company to the withdrawing shareholders exceeded the total amount of Euro 100 million.

Since the condition subsequent has not been fulfilled, the shareholders' resolution to amend the Article of Association will continue to be fully valid and effective; therefore, the enhancement of the increased voting right system can be considered finally adopted.
